<b>APPLY BEFORE</b>	—	15th June	15th July	31st July	15th Aug	15th Aug	15th Aug

\* The Indian government colleges are not mentioned since the admission is through merit in the entrance tests. Rest of the option is on the basis of 12th PCB Marks

We do not suggest the students to choose PHILIPPINES since one needs to pass NMAT exam in the first 18 months else they are not admitted to MBBS program. Lot of students are returning back to India after their admission due to this problem.
