3 STEPS TO BE A MEDICAL PROFESSIONAL IN USA

SPARTAN MEDICAL UNIVERSITY, ST. LUCIA

Spartan Health Sciences University is a private, for-profit medical school located in Vieux Fort, St. Lucia, in the Caribbean. Spartan confers upon its graduates the Doctor of Medicine degree.

Spartan Health Sciences University is a private, for-profit medical school located in Vieux Fort, St. Lucia, in the Caribbean. Spartan confers upon its graduates the Doctor of Medicine (MD) degree with **88% passing ratio for USMLE-1.**

Spartan was established in Saint Lucia on January 7, 1980] as St. Lucia Health Sciences University. The first campus was located in Castries the capital city. In November 1983, the school was renamed Spartan Health Sciences University and relocated to Vieux Fort. **WELCOME TO SPARTAN! PREPARE FOR AMERICAN SYSTEM!**

ACCREDITATIONS

MCI APPROVAL: In case the student chooses to return back to India on completion of MD program (Equivalent to MBBS), the student would have to appear for MCI Screening Test / FMGE. For this purpose, the student must opt for MCI approved Universities. Spartan is approved on MCI.

CAAM-HP ACCREDITATION: Every student studying in Caribbean Islands needs to ensure that the university is accredited by CAAM-HP (Similar to MCI in India). In case your degree is not CAAM-HP approved, the student would face problem not only in India in case of return but also in USA.

ECFMG APPROVAL: It is mandatory for every student to study bachelor level of medicine in a ECFMG approved college (as mentioned on WDOMS - World Directory of Medical Schools). Else, residency in USA is ruled out.

STEP - 1 (FEES TO BE PAID)

18 / 24 MONTHS OF
PRE-MEDICAL

AT ST. LUCIA

4 YEARS-MD PROGRAM (**BACHELOR**)

This is divided into 2 Parts. 2 Years (5 trimesters) of **Basic Sciences** theory classes at **SPARTAN** & 2 Years (5 trimesters) of **Clinical rotation.**

STEP - 2 - NO EXPENSES

3-6 YEARS OF RESIDENCY IN USA

PREPARE FOR USMLE -3 EXAM

STEP - 3

PASS USMLE-3

START PRACTICE
IN USA

- Your Entry for 10+2 Level pass out students.
- In case you have completed B.Sc in India or BAMS in India, you may avoid this year.
- 142 Credit hours is conducted at this stage to ensure you are eligible for every state in USA for your Residency after getting **BS Degree.**
- Totally 4 Trimesters are required to be completed. For surgical branch, it is preferred to do 6 TM during Pre-Med program.

BASIC SCIENCE

In this 2 years, you would be preparing for USMLE-1. This is the most important **COMPETITIVE EXAMINATION** in your entire educational journey.

CLINICAL ROTATION

In this 2 years, you would be preparing for USMLE-2CK & CS.

2 YEARS IN USA

SPLIT INDIA / USA

At this stage, you may return to India & give FMGE for MCI registration (Just in case you do not wish to pursue in USA).

PASS USMLE-1 & CHOOSE OPTIONS OF 2 YEARS OF CLINICAL ROTATION

EARN BACK ALL YOU SPENT DURING MBBS

Interview Call basis

- Initial Reference Letters
- USMLE-1 Score (227+)
- 2 year of Clinical Rotation recommendations letter

Passing the Interview

- USMLE-2 CK/ CS Score
- Interview performance

• During this phase, you are entitled to a stipend of around US\$ 4,200 to take care of your Living Cost and further examinations cost.

• In case your score is not enough to get Residency in USA immediately, you have options such as teaching jobs or internship at St. Lucia.

EXIT ROUTE TO INDIA

You may return back to India and get yourself registered with MCI for MD program directly.

- This is your last step in the journey leading to PG Degree.
- 26% of IMGs in USA are Indians.
- The average annual salary of every doctor is approximately US\$ 200,000.
- You may return back to India and register yourself directly with the MCI as MD / MS as per your Residency in USA.

SPARTAN

Welcome to one of the Oldest University in Caribbean Islands!

38 Years

Extensive Preparation for USMLE

SPARTAN Students are fully prepared for step 1 through shelf exams (NBME) at the end of each semester in basic science as well as biweekly exams which are formatted to mirror USMLE.

Student to complete the introduction to clinical Medicine in a US hospital and then take a USMLE review course to prepare for the step 1 exam.

This portion of our program allows students an opportunity to familiarize themselves with the US Medical system and interact with other health care professionals before clerkship establishing the groundwork for the successful completion of clinical Sciences. The seven week KAPLAN USMLE prep course with a mock test ensures that the students are well prepared for USMLE step 1.

All Clinical Rotations in US Hospitals.

Clinical rotations are available at affiliated teaching hospital approved by the Accreditation Council of Graduate Medical Education (ACGME) located in major cities throughout the US.
