MBBS in Russia is one of the most popular program among Indian students. More than 6,000 Indians have returned since last 20 years of Indians going to Russia. In 2014, Russia took over the complete control of this Crimea region from Ukraine. Accordingly, every year this university is widely opted by Indian students since the degree is accepted by Russian authorities in education ministry. The surrounding and the campus is an extremely peaceful and void of any distractions. The university situated in the city of Simferopol which is very beautiful city.

Many agents in India wrongly communicate that Crimea is unsafe which is absolutely untrue. Highest number of Indian students - around 850+ study MBBS in this university. However, it is amply clear that the region is completely controlled by Russia and one can easily search that on the internet. Further, the Medical Council of India also has confirmed in the latest list of approved MBBS universities abroad that the university is present in Russia.

SMART MEDICAL CAREER PLANNING

ABOUT THE **CRIMEAN FEDERAL UNIVERSITY**, RUSSIA

HIGHEST MCI PASSING RATIO IN RUSSIA

The history of CSMU begins with the medical faculty of Tavrida University, which was founded on 10 May 1918. R. I. Gelvig was the first rector of the University and the dean of medical faculty at the same time. The first graduation of doctors had taken place in 1922; totally 523 doctors have been graduated during the faculty's existence. In 1925 the University was reorganized as a Pedagogian Institute and the Medical faculty was liquidated. The university is a prominent scientific and medical center of Crimea. More than 50 scientific themes are being carried out here, about 5–10 doctoral and 25–30 master's theses are being defended annually. The university participates in 16 international research programs and publishes several scientific periodicals. The total number of students is about 4700 (1700 students are foreign citizens, who study in English). The territory of the university (without the clinical bases) occupies 17.3 hectares.
