Till 2014, study MBBS in Ukraine was as popular as MBBS in Russia among Indian students due to the fact that the temperature is moderate in this region. Ivano is a superb and peaceful city on the west side of Ukraine wherein this top medical college approved by MCI is available. Till date more than 3000 Indian students have passed MBBS program from Ukraine. Till 2014, Ukraine was considered to be a better option for the students with respect to studying MBBS. One must remember that the problem is only on the East side of the country and rest of Ukraine is still the same.

One of the oldest universities of Ukraine founded in 1945 and having more than 70 years of experience to teach MBBS in Ukraine has always been in forefront to produce capable healthcare professionals. The surrounding and the campus of Ivano Frankivsk National Medical University is an extremely peaceful and void of any distractions. Ivano in Ukraine is a very beautiful city to study and lot of Indians are already there. The patients flow is limited in comparison to the Russian hospitals. On completion of MBBS in Ukraine within 6 years including 1 year of internship, you would be allotted a degree of "MD" which is equivalent to MBBS in India. The registration with MCI would be done only for MBBS after giving MCI screening test.
