Located in north of Urumqi city and established in 1956, Xinjiang Medical University (XJMU) is a unique comprehensive medical university full of ethical endemic and regional character, including that of its predecessors, Xinjiang Medical College and Xinjiang Chinese Medical College. Approved by the Chinese Ministry of Education in 1998, XJMU has officially developed into a large and comprehensive medical university for teaching, treatment, and expert scientific research.

There are also 800+ international students, as well as 7,301 students studying at the School of Continuing Education. Xinjiang Medical University attaches great importance to the development of teaching staff and takes great measures in developing and strengthening them. The staff and teaching faculty is made up of more than 15,070 people, among them 914 are academic teachers and 977 are clinical teachers. There are 207 professors and 601 associated professors.

ABOUT THE XINJIANG MEDICAL UNIVERSITY, CHINA

In 2010, the teaching faculty consisted of 1163 professors and assistant professors, and 4290 employees in other roles.[3] The university has instituted 400 supervisory positions for doctorate and masters students. The campus has a number of buildings from the late Russian era in Xinjiang. Xinjiang Medical University campus has been completely updated and modernized and a library, canteens, hospitals and training centres are included facilities. The experimental laboratories include modern bioinformation processing systems and models. In 1995, the university built a new library building which now covers 16,000 m2 and has over 1.07 million books. There are more than 1,300 periodicals and journals available in Chinese and other languages. Six book databases have been introduced and there is a connection to Partners Harvard Medical International’s library database.[1] The library seats more than 2500 in the readers area and over 350 in the electronic library access area.

STUDY MBBS IN CHINA

• The university was established on 1956 (62 Years old)
• XMU is a Government University having super infrastructure.
• The university is situated in the west central part of China so safety is ensured.
• MCI Passing ratio is one of the highest for XMU.
• The Indian students have been going to XMU since last 10 years.
• Choose MBBS at XMU + Medical PG in Germany! You can settle down there.
• You can also choose MOKSH - USMLE Coaching for medical PG in USA!
• Tuition fee subsidized by the Chinese Government.
• The system is already upgraded to ECTS to suit EU education system.
**BENEFITS OF RESIDENCY IN USA**

There are many benefits of completing MD / MS in USA. You should have completed MBBS in an ECFMG approved university listed on WDOMS (World Directory of Medical Schools).

- No need of MCI Screening Test on return to India.
- Earn USD 4,200 / month (Rs. 2.75 Lacs) during residency
- The MD / MS degree would be valid in India
- On clearing USMLE Step 3, you get a license to practice in USA as well.
- Average score of 230+ in Step 1 ensures a PG seat. In India, only top 5% of the student can reach MD / MS stage in government colleges.

---

**BENEFITS OF RESIDENCY IN GERMANY**

Germany is the strongest economy of Europe and is able to allocate huge funds to the healthcare sector for their non-growing population. The quality of life is one of the best among European countries. They have allocated 10% reserved PG seats for international medical graduates. Germany recognizes MCI approved degrees and licenses making it easier for the Indian doctors to have a transition from India to Germany.

Further, learning German language is far more easier for Indians who studied in English since the alphabets are same. MOKSH conducts on-line A1, A2 and B1 level German language coaching classes so that you can be ready for German program.
