MBBS in Belarus is getting popular among students who are generally late applicants for MCI recognized medical colleges or universities in Russia and the medical seats are filled up. This is due to the fact that, Belarus is a smaller country with lesser infrastructure as compared to Russia. Russian medical seats get generally filled up by June end. Since Gomel State Medical University is among one of the top medical universities in Belarus as well as MBBS

colleges in Belarus and is approved by MCI. Studying MBBS in Belarus for Indian students became a great option for students who want to pursue their MBBS abroad. It is indeed a wonderful option to study medicine and surgery in Belarus as well. There is a wide list of medical universities in Belarus.
