Guilin county is a county of the Sichuan province in China. It comes under the administration of the Luzhou city. It is a beautiful county located in the northeast region of China. To the west of Guilin, is the Li river which borders Hunan to the north. This city is famous for its scenic beauty across China and is one of the best tourist destinations of China. As a result of rapid growth in terms of global competence, technology, research, infrastructure, Guilin has carved an importance place for itself in the world.

There has been an enormous growth in terms of health care in Guilin which further led to an increase in a number of hospitals leading its way to provide quality medical education to local as well as international students. In short, Guilin is a 3,182 sq.km county with an amazing quality of life and education located in Guangxi, China. There are many Government medical colleges in China in Guilin. Guilin has re-defined medical education in China in an enormous manner.
