KNOW MORE ABOUT GERMANY

GERMAN BENEFITS

Germany is the strongest economy of Europe and is able to allocate huge funds to the healthcare sector for their non growing population. The quality of life is one of the best among European countries. They have allocated 10% reserved UG seats for international medical graduates. Once you break through the language barrier in Germany in your first year, the whole program becomes extremely easy, comfortable and rewarding.

Further, learning German language is far more easier for Indians who studied in English since the alphabets are same. It is widely believed that German language is also based upon "Sanskrit" making it even easier for the Indian doctors to adapt!

ELIGIBILITY - MBBS

- The student should have completed level 12th after which he can apply for MBBS in Germany. The minimum percentage is 50% in 12th standard.
- The student has to learn A1 level of German language without which he would not get the visa.
- In addition, A2 Level of German language or IELTS certificate in a band of 5.5 is required.
- The certificate of A1 Level of German language has to be Goethe Certified or it would be considered invalid.
- The visa procedures takes up to 6 months so A1 language can be learnt within that time.
- MOKSH provides on-line German language (A1 and A2) coaching which the students take up after starting their application process.

MOKSH SERVICES

- Counseling & Guidance for right up to Medical PG in Germany
- Placing you in the University for Foundation course / Language School
- Complete Travel package including Visa Assistance
- Accommodation booking before departure.
- Your city registration and Foreign office registration process
- Support for visa extensions when required, if suitable.
- Local office contact in Germany for regular support
- Hand holding you for the Application for Residency (PG) - "Berufserlaubnis"

Alternative to the university, you could go through a language school as well. However, the route via Language school would need you to do an extra year for Studeinkollege (Foundation Year). It means, extra cost for living which is quite expensive. Further, the Chances of getting the Visa is lowered in case of language schools for the University.
