

About University

Founded more than 80 years ago in the year of 1934, Guangxi Medical University or, GXMU, is a high-level teaching-and-research-oriented medical university. GXMU is one of the 22 oldest medical institutes in China. It is now one of the key universities with strong support of the Regional government. It is also the center of medical education, research, treatment and prevention, as well as health care in Guangxi.

GXMU boasts a well developed medical education system, including undergraduate, postgraduate and doctoral programs, as well as other training and continuing educational programs. Guangxi Medical University has educated and trained more than 1,000 international students from 69 countries and regions. It is a well established and internationally recognized medical university.

Prepare for Medical PG in Germany while pursuing MBBS in China

BENEFITS OF RESIDENCY IN GERMANY

Germany is the strongest economy of Europe and is able to allocate huge funds to the healthcare sector for their non growing population. The quality of life is one of the best among European countries. They have allocated 10% reserved PG seats for international medical graduates. Germany recognizes MCI approved degrees and licenses making it easier for the Indian doctors to have a transition from India to Germany.

Further, learning German language is far more easier for Indians who studied in English since the alphabets are same. MOKSH conducts on-line A1, A2 and B1 level German language coaching classes so that you can be ready for German program.
