

## About University

North-Western State Medical University named after I.I. Mechnikov (NWSMU) was founded on October 12, 2011 as a result of the merger of the two oldest educational medical institutions in Russia - St. Petersburg Medical Academy of Postgraduate Education and St. Petersburg State Medical Academy named after I. I.I. Mechnikov.

The founder of the University is the Ministry of Health of the Russian Federation. The activity of the University is based on close cooperation and coordination of educational, clinical and research activities - this allows training competent specialists who have modern knowledge and are able to apply it in practice. The North-Western State Medical University sets global goals and works every day to achieve high performance and better results. To meet the challenges of the XXI century, the University carries out daily work on improving the quality of education, introducing innovative developments into practice.

## Prepare for Medical PG in Germany while pursuing MBBS in Russia

### BENEFITS OF RESIDENCY IN GERMANY

Germany is the strongest economy of Europe and is able to allocate huge funds to the healthcare sector for their non growing population. The quality of life is one of the best among European countries. They have allocated 10% reserved PG seats for international medical graduates. Germany recognizes MCI approved degrees and licenses making it easier for the Indian doctors to have a transition from India to Germany.

Further, learning German language is far more easier for Indians who studied in English since the alphabets are same. MOKSH conducts on-line A1, A2 and B1 level German language coaching classes so that you can be ready for German program.
